Welcome of Accord members and individual introductions.

Harry Hunt reads the Treasurer's Report (attached). It is noted that \$2,300 of receivables will need to be reversed as they represent accounts that were sent to licensees who did not join the Accord. John Turnbull moves to accept the report as read, Clare Brockbank seconds the motion.

**AGM:**

**New Business:** There being no new business the chairman moves on.

**Correspondence:** There being no correspondence the chairman moves on.

**General Business:**

Kee Sisouvath presents the Green Valley LAC report (attached). There has been an increase in the incidence of counterfeit notes, and licensees are encouraged to be alert. Green Valley LAC is also about to conduct a full audit of all licenced venues within the area.

Anthony Lynes presents the Liverpool LAC report (attached). A domestic violence campaign is being run in conjunction with AHA as a result of growing domestic violence incidents. Coasters are being distributed as part of the campaign.

Tania Jolley from DNA Security talks about armed robbery and presents her company's robbery deterrent product, DNA Guardian. More than 85% of armed robberies in NSW in 2013 occurred in hotels, pubs and clubs. The product marks offenders with a unique solution that persists for 6-8 weeks, and can forensically connect an offender with the crime scene.

Harry Hunt explains that the Accord meetings take place four times per year, and provides an opportunity to network with licensees and police. He encourages all licensees to attend regularly to get the most value out of the Accord.

At the next meeting we will have the opportunity to hear from Sergeant Jillian Gibson about her experience overseas as winner of the Michael O'Brian Scholarship.

There being no further business the chairman thanks the Liverpool Catholic Club for their hospitality and declares the meeting closed at 12:00pm.
